@YourService Provider Tutorial

Fax Coversheet Technology

Please use the following steps when additional clinical needs to be provided to the UM Prior Authorization department for review.

Select **Search and Manage Prior Authorizations**:

The screenshot displays the @YOURSERVICE portal interface. At the top, there is a blue header with the logo on the left and a TIN input field on the right. Below the header is a dark navigation bar with links for Claim History, Referrals/Prior Authorizations, Pharmacy, Benefits/Coverage, Deductibles/Accumulators, and CORE Reports. A note below the navigation bar states: "**** Menu Options Enabled Once Member Has Been Selected." The main content area features a grid of six blue buttons with white icons and text. The button for "Search and Manage Prior Authorizations" is circled in red. To the left of the grid is a photograph of a smiling male doctor in a white lab coat with a stethoscope.
